

Maynooth University India Scholarship Programme 2016

Maynooth University International Office (www.maynoothuniversity.ie/international) is delighted to announce new scholarships for Indian applicants to Taught Masters programmes commencing in September 2016.

Tuition fee scholarships of between €2,500 and €5,000 are being offered on a first-come first-served basis for Indian applicants to Taught Masters programmes.

Awards will be competitive, based on previous academic ability and performance. As the number of scholarships is limited, prospective students are advised to apply as early as possible.

All Maynooth University taught masters programmes are eligible for these awards.

The application deadline is **30th June 2016**.

How to apply:

A separate scholarship application is not required. Applicants can apply for a Taught Masters programme at Maynooth University through PAC (www.pac.ie). Candidates must be Indian nationals, resident in India, and subject to overseas tuition fees. Awards will be based on previous academic performance. Decisions will be made by a panel and all decisions will be final.
